MUSWELLBROOK & DISTRICT

Workers CLUB LTD

\$232,090 invested back into our community through ClubGRANTS

At Muswellbrook Workers Club, being part of the community means more than simply providing a place to meet, dine and enjoy. It means actively supporting the organisations, volunteers and services that help make our community stronger.

We are proud to announce that through our 2025/26 ClubGRANTS program, the Club contributed \$232,090.68 in Category 1 and Category 2 support to local organisations, community services and sporting groups. The Club's contribution comprised \$54,595.01 in Category 1 funding and \$177,495.67 in Category 2 funding.

Under the ClubGRANTS framework, **Category 1** funding supports community welfare and social services, community development, community health and employment assistance, particularly initiatives that improve outcomes for disadvantaged and vulnerable members of the community. **Category 2** supports broader community development and activities such as grassroots and junior sport, veteran welfare and other community organisations and initiatives.

This year, our Category 1 support reached a diverse range of local causes, including Legacy Muswellbrook, Edinglassie Rural Fire Brigade, Muswellbrook Hospital Auxiliary, Upper Hunter Westpac Rescue Helicopter Service, Upper Hunter Community Services, Upper Hunter Homeless & Outreach and Clontarf Foundation.

Our Category 2 contributions supported local sport and community organisations including the Muswellbrook & District Junior Rams Football Club, Muswellbrook & District Rams Football Club, Muswellbrook Snooker Club, Muswellbrook Touch Football Association, Upper Hunter Veteran Golfers, Muswellbrook Squash Club, Towarri Physical Culture, McCullys Gap Hall Association and Hunter Regional Conservatorium.

What makes this year's contribution particularly significant is the longer-term impact.

Over the past three years, Muswellbrook Workers Club has contributed \$591,881.67 through ClubGRANTS.

These funds help local organisations purchase equipment, deliver essential services, support people experiencing hardship, provide opportunities for young people, strengthen local sporting clubs and assist the volunteers who give so much of their time to our community.

We are incredibly proud of what we have been able to achieve, but importantly, we see community support as a long-term commitment.

Our Strategic Plan recognises that the success of Muswellbrook Workers Club should also deliver benefits beyond the walls of the Club. As we continue to grow and invest in our facilities, our people and our future, we also want to continue investing in the Muswellbrook and Upper Hunter community that supports us.

\$232,090 this year. \$591,881 over three years. And a commitment to keep supporting our community for the years ahead.

Thank you to the many local organisations, volunteers and community groups doing incredible work across our region. We are proud to play our part.

Muswellbrook Workers Club – supporting our community, today and into the future.
